The Concept

Our members have indicated a desire for a routine, scheduled "members night out" occasionally. A night for moms and dads to hire a babysitter, dress up (or down as preferred), and relax with friends at the club. Of course singles and grandparents are welcome as well! This is for EVERYONE.

After Hours Fridays feature live entertainment, the OCC café, and of course our famous lounge. The café will offer a number of dinner choices for your dining pleasure, and the lounge will feature "happy hour" drink specials from 5:30 to 7:30 pm.

These will be relaxed, informal affairs offering members a chance to spend quality time with current friends, and to make many new ones! JOIN US WON'T YOU??
