- Ask our PGA Professional, Randy McCoy, or any Board member for details

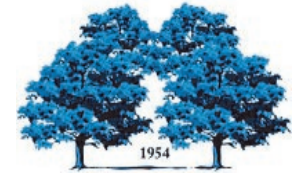

## OCC PGA Pro Emeritus

William Spencer "Bill" Greene arrived in Wilkesboro on May 1st, 1962 at the age of 29, to begin his long tenure as OCC's Head PGA Professional.

Bill was an outstanding player, known for his soft hands, laser-like wedge shots, and lethal putting stroke. Bill began his career in the golf business in Boone, NC under the tutelage of Boone Golf Club's long-time PGA Professional, Joe Maples. Bill was born and raised in Blowing Rock, having the distinction of being the first member of the inaugural golf team at Appalachian State University in 1953.

During Bill's long tenure, OCC attracted many new members, having over 500 at one point, and made many significant facility improvements. Initially, Bill lived in a small two room efficiency apartment in what is now the ladies lounge. In the early days, members could never accuse the Pro of not being "close to his work." His achievements on the links while representing OCC include holding the course record at of 62, winning Pro-Am tournaments around the state, and finishing second in the 1962 North and South Carolina Open. Bill Greene served OCC faithfully for 32 years until retiring in 1994, being later honored with the title of OCC Head PGA Professional Emeritus. Bill Greene remained a beloved figure in the clubhouse until his death in 2009.

# 1st Annual Bill Greene Memorial Golf Event

Presented by . . .

**WERNER®**

Featuring the  
Bill Greene  
Format

Saturday  
September 25th  
(dinner Friday night)

## Tournament Format

The "Pro" himself specified this exciting format be used for the event named in his honor, and we are happy to oblige our PGA Pro Emeritus. Here's how it works:

- Participants are categorized as A, B, C, or D players based on USGA handicaps
- Teams are created via random drawing from A, B, C, and D player pools at Friday night's honorary dinner
- Each team plays a "marker ball" on each hole in a predetermined rotation; this ball plus the best low ball of the other 3 will be the team score carded on a given hole.
- Handicaps used to establish teams, but all scoring is gross once play begins

## Bill Greene Scholarship

Bill Greene had many interests, but a keen interest in Wilkes County youth and the growth of Oakwoods Country Club were two near the top of his list. Thus, it was determined that a fitting way to perpetuate and honor the Pro's memory would be to use the proceeds from this annual event to do two things:

- (1) First and foremost, fund a scholarship in Bill's name for an underprivileged, yet deserving Wilkes County student in a degree-seeking program at Wilkes Community College
- (2) Secondly, use any remaining funds to finance a much needed and overdue renovation of the OCC dining room. This renovation will include the replacement of all chairs, a fresh coat of paint, new carpet, and room redecoration.

## "Friends of Bill" Program

Private donations will be also sought from a group to be known as "Friends of Bill" to fund the construction of a "Bill Greene Memorabilia Wall" featuring pictures, artifacts, and mementos chronicling Bill's eclectic and productive life. Contact Ron Brown, Doug Morris, or Ray Love for more information!

### Advisory Committee

Ron Brown	Jamie McBride	Mitch McLean
Doug Morris	Mac Mayberry	Don Love
Keith Johnson	Dennis Joyce	James Motsinger
Ed Curtis	Tim Church	Derrick Barnes
Bob Baker	Ray Love	Ed Gregory
David Lytton	Johnny Sturgill	Keith Bentley
Chip Mastin	Walter Stroud	Jim Barrow
